

NEW PATIENTS

We welcome all new patients and ask that you arrive at least 15 minutes prior to your first visit so that we can obtain a detailed health history. In addition, please plan to bring a current insurance card and photo ID. Health history forms can be downloaded from our web site at www.concordvilledental.com and completed prior to your appointment.

PAYMENT FOR SERVICES

Payment for services is required at the time services are rendered. For your convenience we accept Visa, Master Card, American Express and Discover as well as cash or checks. If necessary, our staff can make financing arrangements for you including financing through CareCredit.

INSURANCE

As a courtesy, our staff will submit charges for services rendered to your insurance company. Please note that we consider the patient primarily responsible for the account therefore, any portion of the charges not covered by insurance is due at the time services are rendered.

We currently accept Aetna, Assurant, Cigna, Delta, Fidelio, Guardian and Principal dental insurance.

LOCATION

Our office is conveniently located in the Concordville Town Centre shops at Routes 1 and 322. You can find us on Main Street directly across from Marshalls/HomeGoods.

Our office meets all Americans with Disabilities Act standards and is completely handicap accessible.

WELCOME

The staff of Concordville Town Centre Dental is pleased to welcome you to our practice. Our office proudly provides complete general dental services, from routine cleanings to full mouth reconstruction, implants, and Invisalign to patients of all ages including seniors and pediatric patients.

APPOINTMENTS

Appointments for routine care can be made by calling the office at 610-459-3644 during business hours. If for some reason you are unable to keep a scheduled appointment, we ask for 24 hours notice of cancellation so that we may provide services to other patients in need of care.

EMERGENCY CARE

We recognize that dental emergencies arise and we will do our best to respond to these concerns promptly. We have an after hours answering service that can be reached by calling the main office number at 610-459-3644.

SAFETY

For the safety and protection of our patients, we sterilize all instruments and hand pieces using the latest computerized Autoclave technology.

PREVENTIVE CARE

Good dental health requires daily attention. We urge you to brush and floss daily and visit our office at least every six months for cleanings and check-ups. For your convenience our staff will contact you to confirm your appointment within a week of your scheduled visit.
